2 nd Print	16 th February 2027

1 st PDI	22 nd September 2026
2 nd PDI	19 th January 2027

Founded in 1947, our Society is one of the longest established in Northumberland.

Our Membership comprises a range of abilities from beginners to accredited and professional photographers.

Our syllabus provides a wide range of speakers who discuss their work, photographic techniques, and present examples of their images in print or as projected digital images.

We organise workshops and assignments to help our members develop their photographic skills. We run internal competitions for members as well as encouraging them to enter inter-club, regional and national competitions.

Members can also share their photographic work with our community through exhibitions and articles in the local press.

If anyone is interested in joining us, you are invited to come along and experience a couple of our Tuesday night meetings before you make a commitment.

Hexham and District Photographic Society supports the **Camera Donation Project**, which supplies unused digital and film cameras to local schools and community groups.
